

# The European Team

<p><b>WHO WE ARE</b></p>	<p>Established by a consortium of voluntary and community sector organisations in 1993 as a direct response to the ever-increasing demand for clear, professional advice and information on how to access and manage funds from the European Union, North West Network's European Team has significantly developed and now occupies a unique, distinctive and irreplaceable position within the region's voluntary sector.</p>
<p><b>WHAT WE DO</b></p>	<p>North West Network is the regional voluntary sector partner for the North West Objective 2 and Objective 3 European Structural Fund Programmes. Building on this experience we seek to develop and maintain a strategic position of knowledge and influence over funding programmes that affect the voluntary sector in the region. We promote and support access to an array of funding opportunities and particularly those that offer opportunities to match with or develop projects supported by Structural Funds as a priority.</p>
<p><b>OUR AIMS</b></p>	<ul style="list-style-type: none"> <li>• To represent the interests of voluntary sector organisations within the North West region in relation to European Funding Programmes at regional, national and European levels</li> <li>• To increase the take-up of European Funding by the voluntary sector within the North West region</li> <li>• To promote and assist the voluntary sector to network and develop partnerships at local, regional, national and European levels</li> <li>• To promote and assist the voluntary sector's active participation in local community regeneration</li> </ul>
